

We are currently Full and no longer taking reservations for this Shoot
Welcome to the RV reservation for the 2026 Oregon High School State Shoot!

If you haven't visited our club before, feel free to check out the flyover video on our homepage. The link below also shows a general layout we're working on for June's tournament. We also have multiple tournament opportunities in the Spring for shooters to come out to our club on our event tab.

This year's State Shoot will take place the weekend after Father's Day, June 27th and 28th.

After Melissa received feedback from the coaches, we wanted to begin laying out our plans for RV reservations. Some details may remain flexible until Spring League is fully underway, but here is the starting plan:

- Below you'll find an RV Reservation Sheet that anyone (coach, parent, or team member) may submit.
- Head coaches will be given first priority for RV spaces. Parent and student requests will be considered second in line based on availability.
- Our goal is to offer each attending team two RV reservation opportunities:
 - One spot with electrical and water hookups
 - One dry-camping spot
- The reservation request deadline is February.
- If your plans change after submitting the form, please resubmit the form with the updated information so we can keep everything accurate.
- Please keep in mind that the layout may change over the winter as we are applying for a grant that could allow us to expand our camping and overflow parking area.
- 50-amp service is \$35 per night, 30-amp is \$30 per night, and 20-amp (split 20-amp, will not run AC) is \$20 per night. Dry camping is \$10 per night.
- Once Spring League begins, we will finalize the reservation list and send invoices via QuickBooks.

If you have any questions, please don't hesitate to call Chad Lilze at 541-675-5122.
