

Dear Shooters,

As we approach 2024, we'd like to acknowledge and thank you for your ongoing support, which is essential for the success of our scheduled events Oregon PITA/ATA State Shoots, the Grand Pacific Shoot, and the Western Zone and Fall Classic satellite shoots. Your participation is crucial, and we are working diligently to ensure the smooth execution of these shoots.

One aspect of our preparation is managing RV reservations. If you haven't submitted your reservation request yet, we strongly encourage you to do so promptly. Confirmations are being sent out, and our electrical sites are already near capacity. In response to this, the Madras Rod and Gun Club has generously offered camping sites during the Grand Pacific Shoot. While we understand the travel distance may not be ideal (approximately 1 hour), it provides an affordable solution for additional campers outside our dry camping lot.

To streamline communication, we're in the process of creating an email database. Everyone with an RV reservation will be added automatically. If you'd like to receive updates and important information, please use this link to add your name to our email list: <https://lp.constantcontactpages.com/sl/oMCx75E>. This, along with our website and social media, will be our primary means of keeping everyone informed in the coming months.

We're thrilled to welcome new shooters from near and far to our club this summer. For those unfamiliar with our facilities, we've provided a bird's eye view of accommodations on the attached page and a general map of RV spots will be shared in the near future.

As we prepare for these events, the BTC Board of Directors and its wonderful members are committed to ensuring a positive experience for all participants. We welcome any questions or concerns you may have. Your enthusiasm and support make these shoots possible, and we look forward to making 2024 a memorable year together.

Thank you,

Bend Trap Club Board of Directors
