

Hi Coaches,

We are fired up to be hosting this year's event and can't wait to welcome you and your teams to the club. Our entire board is especially excited to see the youth shooters coming through our gates and competing on our fields. We're committed to putting on a first-class shoot and creating a great experience for everyone involved.

Melissa was kind enough to share contact information so we can establish a clear line of communication as we begin planning out the event. If for any reason you do not wish to receive these emails, simply click the unsubscribe option at the bottom of this email.

We are giving priority to coaches before opening remaining spots up to team parents, so please get your request in early.

Bringing Your Team Out to Shoot

We've had a couple inquiries about teams coming out ahead of time to check out the club and get some practice in. We're happy to accommodate.

If you'd like to bring your team out for a day to shoot and tour the facility, reach out and we'll work with you to find a day that fits and get you on the range.

We also have several registered and non-registered target events on the schedule that your team is welcome to compete in, including our May shoot which is geared specifically toward junior shooters featuring 200 singles on Saturday, a traveling trophy, and High Team trophies. You can find the full list of events on our website under events.

We're looking forward to hosting you all and making this a great experience for everyone involved. Please don't hesitate to reach out with questions or scheduling requests.

Thank you,
Chad Lilze
